

Sales Performance Analysis – Executive Summary

Objective: Evaluate sales performance across regions, categories, and time. Identify best/worst performing products and seasonality. Provide tactical recommendations for Alfido Tech.

Key Performance Indicators (KPIs)

- **Total Revenue:** ₹232,705
- **Total Profit:** ₹75,646.74
- **Average Profit Margin:** 32.5%
- **Top Region:** South

Trends & Seasonality

- Revenue shows **peak in February 2026**, indicating seasonal demand.
- **Dip in mid-year months** suggests opportunity for promotions.

Regional Performance

- **South region** generated the highest profit.
- **North region** shows moderate contribution.
- **West region** underperformed compared to others.

Category Insights

- **Furniture** → contributed ~37% of total sales but with lower margins.
- **Office Supplies** → steady growth, high margin.
- **Technology** → strong seasonal spikes, especially in Q4.

Product Performance

- **Top Products:** Drive majority of revenue (e.g., Chairs, Phones).
- **Bottom Products:** Consistently underperform, dragging margins.

Tactical Recommendations

1. **Optimize Product Portfolio** → phase out low-margin SKUs, expand high performers.
2. **Seasonal Campaigns** → leverage Q4 demand with bundles and discounts.
3. **Regional Targeting** → invest in South region with tailored offers.
4. **Upsell & Cross-sell** → bundle complementary products to lift AOV.
5. **Retention Programs** → loyalty rewards and personalized offers for repeat buyers.

Deliverables

- **Notebook:** Data cleaning, KPIs, charts.
- **Dashboard (Power BI/Tableau):** Interactive visuals.
- **PDF Summary:** Exported report with KPIs, charts, and recommendations.
